SUMMARY

Junior Full Stack Developer with **3 years** in designing and delivering end-to-end web applications. Proficient in **Angular** for responsive frontends, **C#, .NET Web API, SQL, and Entity Framework** for robust backends, and skilled in deploying scalable applications to the cloud using **Microsoft Azure**. Passionate about creating user-focused, maintainable, and high-performance solutions with **Tailwind CSS**.

SKILLS

Frontend

- Figma
- Tailwind CSS
- JavaScript
- Angular

Testing

- Unit Testing
- API Testing
- Code Review

Backend

- Node.js
- C#
- .NET Core
- ASP.NET

Cloud & DevOps

- Azure
- CI/CD
- Version Control

Database & Tools

- SQL Server
- T-SQL
- SSMS
- GitHub

Methodologies

- Agile

WORK EXPERIENCE

JVR Africa Group

October 2022 – August 2025

Junior Full Stack Developer • Remote

- **Support & Client Solutions:** Resolved client queries, enabled platform access, and handled data extract requests.
- **Software Development:** Fixed longstanding bugs in the OneJVR platform backlog, improving system reliability.
- **Data Analysis & Visualization:** Cleaned and extracted data for reporting, created visual insights using Power BI.
- **Collaboration & Design:** Worked closely with designers and used Figma to investigate client needs and inform design decisions.

EDUCATION

Bachelor of Science in Mathematical Sciences

April 2020

Major: Computer Science and Mathematics • University of Limpopo

Certifications

- **Angular — The Complete Guide (2025 Edition)** • Udemy (Apr 2025)
- **Interactive Charts with D3 and Angular** • Udemy (Dec 2023)
- **Master Microsoft Power Query in Power BI & Excel** • Udemy (Aug 2023)
- **PHP with Laravel for Beginners** • Udemy (Nov 2022)
- **Microsoft Azure Fundamentals (AZ-900)** • Microsoft (Aug 2022)

PROJECTS

Mathebe Portfolio [\(link\)](#)

Nov 2025

Front-End Web Application • In Progress

- Showcases responsive layouts, animations with GSAP, and Tailwind UI components.
- Demonstrates Angular skills and modern front-end best practices.

SkillUp Hub

Oct 2025

Learning Platform • In Progress

- Interactive platform to track learning progress and explore educational resources.
- Built with Angular, responsive design, and focus on user-friendly UI.
